Dear Mukesh and the Team at South Austral,

South Austral has been one of our key suppliers for pharmaceutical and medical supplies for several years now. Your company has been one of the most reliable and trustworthy suppliers the Samoa National Health Pharmacy has had to depend on to assist with our medical needs.

Therefore we would like to take this opportunity to acknowledge and formally recognize the kind and timely service your company has extended to us over the years. We are confident that our working relationship will go a long way.

We wish you well.

Yours Sincerely,

Leota Laki Lamositele Sio
